

LIFTING TOGETHER

This conference is dedicated to a future vision of the Urantia Revelation.

Through the gift of the Urantia Revelation and the expanded teachings of Jesus, it is our desire as a team to work and lift together in spiritual consciousness, to love our neighbors as God loves us, and to expand and promote the comprehension and appreciation of cosmic citizenship. We envision an atmosphere of gratitude in which we actively explore constructive ways to contribute to the spiritual growth of all peoples of the world and thereby participate in the evolution of God the Supreme.

In fostering the spirit of cooperation in Vancouver in 2020, we:

The Urantia Book Fellowship, Urantia Association of Canada, and Students of the Revelation at large, invite everyone to come together to serve the global community in the name of the Universal Father, and on behalf of God the Supreme, the Universal Mother.

Through Focus Groups and Vision Teams, our goal is to lift ourselves up to the spiritual level of the golden rule, which is to treat all people as we conceive God would treat them. In this endeavour, we have the life and teachings of Jesus to show us the way.

In the words of Jesus, the Golden Rule at the Spiritual Level is:

"And then last, but greatest of all, we attain the level of spirit insight and spiritual interpretation which impels us to recognize in this rule of life the divine command to treat all men as we conceive God would treat them. That is the universe ideal of human relationships. And this is your attitude toward all such problems when your supreme desire is ever to do the Father's will. I would, therefore, that you should do to all men that which you know I would do to them in like circumstances." **The Urantia Book.**

UNITED IN PURPOSE—SERVING GOD THE SUPREME
